

Carpentry and Joinery Apprenticeship

Daniel Crosby from Forest Hall is employed at City Build

Sixteen year old Daniel Mark Crosby is working at City Build for his Carpentry and Joinery Apprenticeship.

He is gaining an understanding of how to construct and assemble various commonly used joints, first fix aspects of joinery as well as second fix such as hanging doors and fitting skirtings.

Daniel said,

“I have learned some great skills and have enjoyed every minute, especially the on-site experience I have gained”
