

Sports Development Apprenticeship

Liam Soulsby from North Shields is employed at George Stephenson High School

Liam attended Marden High School and has begun his apprenticeship working in the Physical Education department at George Stephenson High School. He is involved in all aspects of department work from setting up apparatus & ensuring all the equipment safe and readily available to supporting lessons with warm up work and general administration. Additionally, Liam is a First Aider for the department.

Adelaide Emmerson, Business Manager at the school commented,

“It is a great system to get young people into the career of their choice. Liam has fitted in really well and is a good support to the department”

Liam said,
“I feel as though this is a good platform to start working at and it will be very beneficial for my future work”
