

# Beauty Therapy Apprenticeship

**Samantha Brown from Palmersville is employed at Inferno Beauty Salon**

Samantha had attended Longbenton Community College but she lacked confidence. Barnardo's Palmersville Training helped her develop her skills and supported her into an apprenticeship with a small, family run business, named Inferno. Her employer Peter Hall, Manager at Inferno commented,

**“It has been a privilege being part of such a training scheme and being able to help someone work towards a better future. It is an effective means of employment with full support of North Tyneside Council. Sam is very keen to keep busy and progress on to more aspects of beauty therapy which will benefit us all. We are certainly happy to have her on board.”**

Sam has done exceptionally well and completed her NVQ Level 2 in Beauty Therapy. She is now progressing to an Advanced Apprenticeship with Newcastle College.

Sam feels really supported in her role and said,

**“My manager is very helpful and we get on really great. I really enjoy working and I have a reason to get out of bed in the morning. Also, I have a bit of money in my pocket which helps a lot!**

**I have learnt a lot through my training and hopefully I can carry it on in the future”**
