

# Environmental Information Regulation EIR1657

## Request:

I am writing under EIR/FOI legislation to request the following information regarding local tree felling and planting:

- Figures for the number of trees felled by the council or its contractors in the Local Authority area for every business year from 2014-2015 until the present.
- Figures for the numbers of trees planted by the council for every business year from 2014-2015 until the present.

If this is deemed to exceed cost limits, please release the tree-felling and tree-planting data for every year from the most recent working backwards in time until the cost limit is reached (ie 2018-19, then 2017-18, etc)

Submitted on 27/08/19.
