

Reference: EIR4861

Request:

I am writing to request information under the Freedom of Information Act 2000:

1. As of 28 March 2022, how many public EV chargers have been installed on public land within your local authority by the local authority itself (i.e., not wholly or in conjunction with private providers)?

As of 28 March 2022, the Authority have installed 3 double sided fast charge EV charging units on public land within the borough.

2. As of 28 March 2022, how many EV chargers have been installed on public land within your local authority by private companies?

As of 28 March 2022, Private Companies have installed 10 Rapid charge EV charging units through contract arrangements with the Authority on public land within the borough.

Details of the locations and operators of the various charging points are provided on the Council website at <https://my.northtyneside.gov.uk/category/1566/electric-vehicle-charging-points>
