## TRANSFER TO MIDDLE OR HIGH SCHOOL

In the week beginning **Monday 4 September 2006** each child due to transfer to a Community Middle or High school should bring home an application form and a copy of The Essential Guide to North Tyneside Schools.

You should complete the Common Application Form and state reasons why you have chosen your first preference school. You can apply for up to three schools, **priority will be given to those parents who express a first preference for a particular school.** Completed forms must be returned to your child's current school in time to reach Children, Young People and Learning Directorate by **Friday 20 October 2006.**

Where demand exceeds places available the over-subscriptions criteria in this brochure applies.

You may be required to provide proof of your address. It should be noted that an offer of a school place may be withdrawn if information supplied by you on your application is intentionally misleading or fraudulent (for example, a false claim to residence in a catchment area). Where a place is withdrawn, the application must then be considered afresh, and a right of appeal offered if a place is refused.

A school place may also be withdrawn if you do not respond to the offer within a reasonable time.

### Online Admissions

From 04 September 2006 when the admissions process begins, North Tyneside will be offering an online admissions service for entry in September 2007. If you have access to a computer and you wish to

complete your application online, you can find a link to this service at [www.northtyneside.gov.uk](http://www.northtyneside.gov.uk) or go directly to [schooladmissionsnorthtyneside.gov.uk/admit\\_transfer](http://schooladmissionsnorthtyneside.gov.uk/admit_transfer) to access this service.

If you are considering applying for a place in the Roman Catholic High School you are advised to read the criteria to be used to determine the allocation of places at the back of this booklet.

**If you fail to return a completed preference form by 20 October 2006 your child will NOT AUTOMATICALLY BE CONSIDERED as a first choice applicant for the school where the majority of children from the First/ Primary/Middle school normally transfer.**

Parents submitting a preference form will be sent a response on **Wednesday 1 March 2007.**

**A late application may prevent you from gaining a place at your preferred school.**

If your preferred school is not published in this booklet please contact the school to find out what the admissions arrangements are.

Please note that we cannot consider applications for places in Independent schools. Please do not therefore, include within your preferences any schools that are not listed in this brochure.

**It is important that you notify the Strategic Director for Children, Young People and Learning Directorate in writing of any change of circumstances which would affect the offer of a school place, i.e. change of preference, or an intention to move out of North Tyneside or to place your child in a private school.**

## ADMISSIONS TO VOLUNTARY AIDED (CHURCH) SCHOOLS

Responsibility for admissions to Roman Catholic and Church of England schools lies with the individual Governing Bodies. Common Application Forms can be obtained from the individual schools. It should be noted that eligibility to assistance with home to school transport is in accordance with the LA home to school transport policy and will only be considered in relation to the nearest appropriate school.

If your child currently attends a Roman Catholic Primary School and does not wish to transfer to a Roman Catholic High School, please ensure that you complete a Common Application Form for a place in a Community school. Completed forms must be returned to the Child's current school in time to reach Education and Cultural Services by **Friday, 20 October 2006.**

Each year the majority of children are admitted to their parents preferred school, but despite our firm commitment to meet parental preferences, parents must recognise that there is a limit to the number of children who can be admitted to any particular school. A number of schools in North Tyneside regularly receive more applications than they have places available. It is possible that you may not be offered a place at your first preference school.

In September 2006 the following schools were over-subscribed
