

North Tyneside Council

Freedom of Information Request FOI1107

Request:

I refer to my previous correspondence, and your subsequent response under your Ref. No. FOI 0935, in which you stated that the relevant report would be available from 12/4/19.

You suggested that if I wished to receive a copy of the report, then my request should be repeated.

The request for information still stands as follows;

Under the provisions of the FOI Act, may I request a detailed copy of the last Food & Hygiene Inspection that was recently carried out on the following business: The Grand Sultan Indian Restaurant Palace Buildings Grand Parade Tynemouth NE30 4JH

Since my initial request, I have also noted that the Food Standards Agency website indicates that these premises are EXEMPT from a rating. In addition to the above request, would you please also provide an explanation of why these premises are exempt.?

Submitted on 12/04/19.

Response:

Please find copy of report attached. I can confirm that these premises are not exempt from a rating and their rating appears in the attached report. This will appear on the FSA website when the website is next uploaded.
