

# Freedom of Information Request FOI1161

## Request:

1. Are you already a member of a Regional Adoption Agency (RAA)? Yes/No
2. If yes to Question 1, which authority or agency is delivering the RAA? (Is it led by a specific Local Authority or a Private or Voluntary Agency?) Please give us the name of the actual LA or Agency.

If no to Question 1, what is your plan for securing membership of a RAA within the government specified timescales (due date and authorities you are seeking to join with). You do not need to answer any further questions after this.

3. Who is the designated lead officer responsible for the Regional Adoption Agency? Name, Role and Email address please.
4. Which LA or Agency is responsible for delivering the IT solution that supports the work of the RAA?
5. Has the RAA already procured an IT system to support its work? If yes, who is the supplier of that system? If no, you do not need to answer any further questions.
6. Does this system provide other functionality apart from the RAA?

For example, is it part of a wider social care system or is it a specific standalone solution for the activities of a RAA? If it is part of wider system, please tell us which system this is (supplier name) and the authority whose social care system this is.

7. If this is a dedicated RAA system only, what is the value of the contract and the contract period? Please show the purchasing costs / implementation costs and support and maintenance costs separately.

Submitted on 26/04/19.

## Response:

1. Are you already a member of a Regional Adoption Agency (RAA)? **Yes**
2. If yes to Question 1, which authority or agency is delivering the RAA? (Is it led by a specific Local Authority or a Private or Voluntary Agency?) Please give us the name of the actual LA or Agency. **North Tyneside Council**

If no to Question 1, what is your plan for securing membership of a RAA within the government specified timescales (due date and authorities you are seeking to join with). You do not need to answer any further questions after this.
