

Freedom of Information Request FOI1223

Request:

We act on behalf of the proposed purchaser of the above property and confirm that our environmental search has indicated that the property cannot be described as not having been built on contaminated land.

Accordingly we ask that you confirm the environmental department of the Local Authority do not have the land noted as contaminated and have no intention of carrying out any investigations in this regard.

Submitted on 09/05/19.

Response:

This information is refused in answer to this request under section 21, information accessible to the applicant by other means.

The reason for this is that this information can be accessed by submitting a contaminated land search.

Details of how to submit a search can be found on the link below:
