

Freedom of Information Request FOI1241

Request:

I would like to request the following information under the Freedom of Information Act 2000. For all non-domestic rates hereditaments dealt with by your Council that fall within an Enterprise Zone business rates discount area: *Full address *BA reference number *Indication of any business rate relief applied *Empty indicator *Liability start date *Ratepayer account name *Billing address *Property description *Whichever enterprize zone area or phase/extension indicator you use In cases where the ratepayer is an individual, I would be satisfied with the account name field being omitted in order to comply with Freedom of Information exemptions. If there are any other aspects of my request you feel you are unable to comply with, I would appreciate a full explanation of the exemption you wish to apply and how it relates to that particular issue.

Submitted on 14/05/19.
