

Freedom of Information Request FOI1329

Request:

Under the Freedom of Information Act 2000, please supply the following:

1. A list of all MIDDLE schools in North Tyneside, how many first choice applicants they each had and whether they were oversubscribed or not-oversubscribed on national offer day 2019 (1ST March). We define a school to be oversubscribed if, and only if, at least one on-time applicant was refused a place and the applicant did not receive an offer from any higher preference school. If there were no refusals to on-time applicants - even if the school was unable to accept one or more late applications or admitted over its published admission number - then we do not consider this school to be oversubscribed. If you use a different definition of oversubscription, then please make this clear in the response.
2. The total number of places offered at each school. Questions 3-5 apply to oversubscribed schools identified in question 1 only:
3. The number of on-time applicants refused a place who did not receive a place at any higher preference school. By this we mean the number of unsuccessful on-time applicants remaining on each school's waiting list. Please answer for each individual school.
4. The admission criterion under which the last successful applicant was admitted.
5. The home-to-school distance of the last successful applicant, assuming distance was used to allocate this place.

I am aware some of this information is available in September but I have a financial decision to make now so am unable to wait until September for the essential guide to be published.

Submitted on 10/06/19.
