Deferred Payments

1. For each of the financial years below, how many applications did the council receive for deferred payments with regards to care homes and how many (% or raw number) of these were accepted?

Please provide data for the following financial years?

1 April 2019 – Present Day (Please indicate which day you calculate this) 4 cases @ 25/07/19 100% accepted

1 April 2018 – 31 March 2019 5 cases 100% accepted

1 April 2017 – 31 March 2018 10 cases (1 not accepted due legal circumstances) = 90% accepted

Most of our cases are discussed with client/representative and assessed prior to a deferred payment agreement being submitted so the applications we receive are usually accepted.
