

Freedom of Information Request FOI1542

Request:

Under the Freedom of Information Act 2000, Please tell me:

1.) How many children have suffered severe allergic reactions in schools in your area in each of the following years: 2014/15, 2015/16, 2016/17, 2017/18

And for each instance, please tell us:

- What was the allergic reaction?
- What action was taken?
- Did this result in hospitalisation or death?
- Was an investigation launched?

2.) How many parents have withdrawn children from schools in your area because of severe allergies in each of the following years: 2014/15, 2015/16, 2016/17, 2017/18

And for each instance, please tell us:

- Which school?
- Why did the parents feel the need to take the child out?
- Was any action taken against the school?

Submitted on 30/07/19.

Response:

This information is not held centrally by the Authority; however, individual schools may keep their own records. Schools contact details can be found here <https://my.northtyneside.gov.uk/category/128/find-school>
