Freedom of Information Request FOI1554

Request:

I am writing with a request about cyber security under the Freedom of Information Act 2000. Could you please tell me how many incidents of cyber-attacks you have recorded since the beginning of 2017? Of these can you tell me how many incidents were referred to external sources including the police, the National Crime Agency and the National Cyber Security Centre? And how many of these incidents were handled internally?
