

Freedom of Information Request FOI1938

Request:

EXTRNL Good afternoon North Tyneside Council, This is a request for information under the Freedom of Information Act. I had a look at your website but I couldn't find what I was looking for. Please, can you confirm if you have a workplace menopause policy and/or a workplace period policy? If you have a menopause or period policy please could you send me this information, preferably electronically as a word document? This should be the most up-to-date version of the policy and include the date when the policy was created and last updated. If you feel that a substantive response to this request is not possible within a reasonable time frame, or the request is too broad or too vague, I would be grateful if you could contact me and provide assistance as to how I could refine the request Please do not hesitate to contact me if you require any clarification. Email: bryony.smith@city.ac.uk Many thanks for your help. Kind regards, Bryony Smith
