

Freedom of Information Request FOI2229

Request:

Please can you provide the following data in relation to managed moves in schools over the last two academic years (2018/19 and 2017/18 or equivalent - please state where this is the case):

- number of children who have had a managed move
- number of children who have had more than one managed move
- number of managed moves that were successful (i.e. where children remained in their school beyond the 12-week period)
- the reason why the managed moves were unsuccessful (if recorded)

Submitted on 29/01/20.

Response:

Please can you provide the following data in relation to managed moves in schools over the last two academic years (2018/19 and 2017/18 or equivalent - please state where this is the case):

- number of children who have had a managed move
- number of children who have had more than one managed move
- number of managed moves that were successful (i.e. where children remained in their school beyond the 12-week period)
- the reason why the managed moves were unsuccessful (if recorded)

2017/2018

- 120 Managed Moves
- 57 Successful
- 63 Unsuccessful (52 ended by school, 11 ended by student)

2018/2019

- 100 Managed Moves
- 56 Successful
- 44 Unsuccessful (29 ended by school, 15 terminated by student)

No student had a more than one managed move within an academic year.

reason for unsuccessful ending is recorded as *ended by school* or as *terminated by student* (data above)
