

Reference: FOI2362

Request:

1. How many looked after children currently missing from your care have been missing for
 - A) 16-20 days
 - B) 21- 30 days
 - C) More than 30 days

For this answer, please do not count the same child repeatedly in different categories. For example, if a child has been missing for 31 days, they should only be counted once in category C. You should not also mark them in categories A & B.

Answer: 0

2. What is the longest period that a looked after child currently missing from your council's care has been missing for?

Answer: 4 days

3. How old is the youngest looked after child who has is currently missing from council care and has been missing for more than 16 days?

Answer: N/A

4. Since 2015, please state – in days- the three longest periods for which a looked after child has gone missing from council care and then been found

Answer:

- 1) 8 days
- 2) 8 days
- 3) 7 days
