Request:

Since March 23rd 2020, how many extra beds have been made available to victims of domestic abuse specifically (not homeless people or any other groups needing accommodation).

0 – we did not make any extra beds available for domestic abuse only cases.

Within this data on beds for domestic abuse survivors I would like the following break down

- What is the gender breakdown of the beds provided? IE how many were made available for women, men etc.

N/A

- How many of these beds were move on beds?

N/A

- How many of these beds were refuge beds?

N/A

- How many dependents also found refuge with the escaping parent?

N/A
