

Reference: FOI2986

Request:

Please provide the following information (if the total request exceeds the 'allowable time' limit please process in number order up to the 'allowable' time limit):

1. Please provide the latest available Number on Roll (NOR) data from the Spring 2020 School Census, showing the number of pupils in each year group at each school.

See attached Excel document 'FOI2986 - Questions 1 and 3 Response'

2. Please provide copies of all of the primary and secondary school annual allocations statistics for these schools since 2013.

See attached documents Essential Guide to Schools 2013 to 2016. See link for the booklets from 2017 to present -

<https://my.northtyneside.gov.uk/page/5032/essential-guide-schools>

3. Please provide the latest available school forecasts for this education authority, showing the number of pupils in each year group at each school (or for their respective school planning areas if individual school forecasts are not available), these are likely to be the forecasts which were prepared by this education authority in the summer of 2020.

See attached Excel document _'FOI2986 - Questions 1 and 3 Response'

4. Please provide the full Net Capacity Assessment form for each school for this education authority, or if the school is now an academy, the most recent form which this education authority holds.

See attached Net Capacity Assessments

5. Please provide data for each year since 2013 showing (a) how many places have been allocated at each school to out of catchment/out of area children (detailing from which other schools' catchment areas) and (b) how many places have been allocated at each school to children living outside this education authority's area (indicating which area outside of this education authority's area they were living in when applying for a place).

See attached documents Essential Guide to Schools 2013 to 2016. See link for the booklets from 2017 to present -

<https://my.northtyneside.gov.uk/page/5032/essential-guide-schools>

6. Please provide copies of any feasibility studies undertaken within the past 5 years to add capacity at any of these schools (whether this capacity has been added or not); please confirm how many school places these schools will have as a result and when

Reference: FOI2986

these places will be available; and please confirm the capacity details of any new schools to be opened in this education authority's area within the next 5 years.

Backworth Park Primary School was relocated and enlarged in September 2018. This saw the school increase from a capacity of 210 places to 315 places, with an annual admission number of 45. Please see the following links to the Backworth Park Primary School Cabinet reports:
