2. Please confirm the full details of each site within your Local Authority area that are supplied either electricity, gas or water through the Local Authority contract arrangement?

This information is exempt from disclosure under Section 43(2) of the Act where disclosing the information would, or would be likely to, prejudice the commercial interests of any person including the public authority holding it. The information is commercially sensitive as it forms part of the current NEPO energy contract.

3. Do you ask your schools portfolio to “opt in” or “opt out” at the time or prior to the termination window nearing?

Schools have the opportunity to opt in or opt out of the arrangements as part of the annual Service Level Agreement. It is not necessary for the school to wait until the termination of the formal contract.

4. Please confirm whether the Local Authority charges an annual fee to their sites to access support?

This information is exempt from disclosure under Section 43(2) of the Act where disclosing the information would, or would be likely to, prejudice the commercial interests of any person including the public authority holding it. The information is commercially sensitive as it forms part of the current NEPO energy contract.

5. Please confirm whether the Local Authority receives any form of commission/rebate or any payment from the supplier or framework provider?

This information is exempt from disclosure under Section 43(2) of the Act where disclosing the information would, or would be likely to, prejudice the commercial interests of any person including the public authority holding it. The information is commercially sensitive as it forms part of the current NEPO energy contract.

6. If the answer to question 4 is yes, please confirm the amount in p/kWh?
