Request:

On the discretionary and business grants how many home bases businesses have been helped by north Tyneside council?

No home-based businesses were supported with the following Covid-19 Grants due to the requirement to be a business rates payer or have fixed property costs.

- Small Business Grant
- Retail, Hospitality & Leisure Grant
- Discretionary Grant

The only possible exception to this is in relation to Bed & Breakfast businesses which Government asked local authorities to prioritise in delivering the Discretionary Grant, however we do not have sufficient data to be able to confirm whether these are home based businesses.
