What did the council do with the information?

What is the council's plan?

**In 2021 (1st January to date), the Authority has received 21 reports that include drug issues in an NE29 postcode. This could be anything from the smell of cannabis to reports of alleged drug dealing.**

**Any reports received regarding issues around drugs are shared with the neighbourhood police team to look into.**

**If we receive any follow up information from police regarding a conviction for drug offences then, if they are a Council tenant, we would follow up with appropriate and proportionate tenancy enforcement actions.**

**Further information can be found in the Authority's Anti-social Behavior Policy online:**
