Response

All of the Middle and High Schools in North Tyneside are their own admissions authority. Waiting lists are only held for the year of entry on behalf of the schools until 31 December. Schools may not hold waiting lists after that date as there is no statutory duty to do so. As the waiting lists are held by the School and not the Authority, a request would have to be made direct to the school. A list of all schools in North Tyneside is available on the website here: <https://my.northtyneside.gov.uk/category/128/find-school>

The LA does not hold all of the information about vacancies in each year group in every school, it sends the application to the school for them to advise if they have a place to offer. There is no statutory duty to hold the vacancy information. For reception, Year 5, 7 and 9 allocation information is published in the Essential Guide to North Tyneside Schools booklet (attached), however, since publication, some places may have since been allocated.
