

**Request:**

Based on the latest available figures:

1. How many Looked After Children, who are in the care of the local authority, are:  
(a) EU (non-UK) citizens

X

(b) have an Undocumented or Unknown immigration status (including children whose nationality is unknown)

X

The Code of Practice for Official Statistics requires that reasonable steps should be taken to ensure that all published or disseminated statistics protect confidentiality. To do this totals are rounded and small numbers are suppressed. "x" - numbers less than or equal to 5 are suppressed to protect confidentiality.

2. What plans and provisions does the Local Authority have in place - or is considering - to deal with any Children In Care who will need to obtain Settled Status, as a result of Brexit, if they wish to remain in the UK? Please provide details of any plans, analysis or forecasts, including any estimates of the financial cost to the Local Authority, or any reports which have been written about this issue.

As the numbers of children in this situation are so low, we do not have any specific plans to respond to Brexit.
