**Request:**

1. Which single street in your council area has produced the highest income from traffic or parking violations (income from just fines) in the 2021/2022 financial year?
2. Please provide details of the number of tickets issued and the income to the council of motorists paying parking enforcement fines in this single street in the 2021/22 financial year, and what the violations were Eg, parking, driving in bus lanes etc.

**Response:**

There is no report within the Authority Notice Processing software that provides income based on location within a specific period. In order to provide the information requested would involve checking each of the 29064 parking charge notices issued in the 2021/2022 financial year.

Therefore, this request is refused under s12 (1) Freedom of Information Act 2000, since the cost of complying would exceed the appropriate limit set out in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004.

In assessing the cost of complying, the costs attributable to officer time involved in complying have been considered. Such costs are limited to £450.00 under the Regulations, which equates to eighteen hours of officer time.
