

North Tyneside Council

Reference: EIR-797

**Request:**

What is the council's policy on environmental protection and sustainability, and can you provide any data on pollution levels or environmental concerns in the area?

**Response:**

This information is readily available on the North Tyneside Council website <https://my.northtyneside.gov.uk/>

The homepage includes a link to the Authority's approach to addressing a variety of environmental issues, which includes various policies around environmental protection and sustainability: [Environmental issues | North Tyneside Council](#)

This includes, for example, information on air pollution, contaminated land and environmental permitting: [Pollution | North Tyneside Council](#)

Data on air pollution, for example, is captured at local real-time monitoring stations and diffusion tubes across the borough. The councils air quality annual status reports can be found here: [Air quality | North Tyneside Council](#)

The information supplied to you is owned by the council unless otherwise stated and may be protected by copyright. You are free to use it for your own purposes, including any non-commercial research or for the purposes of news reporting. Any other re-use of a commercial nature will require the permission of the Council. Further enquiries in this respect should be directed to Head of Law and Governance, North Tyneside Council, Quadrant The Silver Link North, Cobalt Business Park, North Tyneside, NE27 0BY
