Request:

Under the Freedom of Information Act (the Act), please provide me with the following information, which I trust can be produced by running a simple report on whatever back-office computer system your development management / planning applications service uses please:

1. A list of all determined planning applications, including, for each application, the application's reference number, its date of determination, the outcome (i.e. refused / approved) and whether it was determined by officers or by members of the Council (i.e. a Committee) during the period 1 April 2010 to 31 March 2023, which were advertised / publicised as applications affecting listed buildings and / or conservation areas under sections 67 and 73 respectively of the Planning (Listed Buildings and Conservation Areas) Act 1990 (the 1990 Act)
2. The total number of planning applications received each year for the years 1 April 2010 to 31 March 2011 to 1 April 2022 to 31 March 2023, inclusive.

For the avoidance of doubt, the first request above relates only to planning applications publicised under sections 67 and 73 of the 1990 Act (i.e. not all planning applications determined), while the second request relates only to the total number for each year (i.e. not a list of all applications).

As I hope that the production of this information will be a straightforward task (i.e. by running a report via your development management back-office system), I would also be grateful if the list of applications referred to above were to be provided to me in the form of an Excel spreadsheet, with each application in a separate row, with the details requested (i.e. application reference number, its date of determination, the outcome, and whether it was determined by officers or a Committee) in separate columns.
