

North Tyneside Council

Reference: EIR3415

Request:

1. How many miles of road verges do you manage; and how is this split between urban and rural verges?

There are approximately 742.6 miles of roadside in North Tyneside that have grass verge, all of this is classified as Urban

2. How much money have you budgeted towards the maintenance of road verges in 2021? Again, how is this split between urban and rural verges?

The total annual budget for the seasonal grass cutting operations across the borough is £665k. As above information on how this is split between urban and rural verges is not held.
