

North Tyneside Council

Reference: FOI-175

Request:

1. Does the Council have a plan in place to increase the number of electric vehicle charging points?
2. If so, how many new charging points are expected to be in place by the end of 2023?

Response:

1. This information is refused in answer to this request under section 21, information accessible to the applicant by other means. The reason for this is that this information is publicly available on the Council website at <https://my.northtyneside.gov.uk/category/1566/electric-vehicle-charging-points>
2. There are no definitive proposals as yet regarding the number of electric-vehicle charging points that are likely to be installed in the short, medium and long term.

The information supplied to you is owned by the council unless otherwise stated and may be protected by copyright. You are free to use it for your own purposes, including any non-commercial research or for the purposes of news reporting. Any other re-use of a commercial nature will require the permission of the Council. Further enquiries in this respect should be directed to Head of Law and Governance, North Tyneside Council, Quadrant The Silver Link North, Cobalt Business Park, North Tyneside, NE27 0BY
