

Reference: FOI-193

Request:

1. The time it takes to complete a carers assessment
2. The average number of carers assessments completed in a month
3. The number of people on waiting lists to access the carers assessment
4. The cost to complete a carers assessment from beginning to end (staff hours)
5. How much does each carers assessment cost the council to complete
6. The number of permanent staff tasked with completing carers assessments
7. The number of locum staff tasked with completing carers assessments
8. The average per-hour cost of permanent staff
9. The average per-hour cost of locum staff
10. The process in which funding for a care plan is approved or denied by the funding committee (how do they make their decisions and what parameters or frameworks do they base this on).

Response:

Please see attached spreadsheet.
