**Request:**

I am looking at fee uplifts across the public and private sector in Adult Social Care.

Local authorities award standard or blanket fee uplifts for all adult social care services.

Please can you confirm the award in % uplift and monetary value in both standard and specialist services i.e. those service supporting people with complex needs in the table below.

Year	Standard Fees	Specialist Services Fees
2020/2021		
2021/2022		
2022/2023		

I would be grateful when providing the fees if you could confirm whether they are weekly or monthly.

**Response:**

This information is refused in answer to this request under section 21, information accessible to the applicant by other means.

The reason for this is that the current and historic fees from 2019 for all Commissioned Services for Adult Social Care are available on the North Tyneside Council website here: [Our commissioning intentions | North Tyneside Council](#)
