

North Tyneside Council

Reference: FOI-346

Request:

Please would you be so kind as to provide me your total annual expenditure on teaching agencies (for the supply of agency-employed teachers) in each of the years 2010/11 to 2021/22 (inclusive)

For each of those years, please also set out the number of schools to which such expenditure related (I am aware that academization may have reduced the number of schools in the area of the authority for which the authority provides such central services).

If you do not hold the data for every year requested, I would be grateful if you could please provide a response for the years for which you do hold data.

I would like this information also to be broken down by type of school (primary school, secondary school, etc), but if that would increase the cost of dealing with this request overall such that it crossed the cost threshold for providing an answer, then I do not require that breakdown.

Response:

This information is not held by the Authority. The information you require will need to be requested directly from the schools themselves.

Please see the link from the Authority website where you find all the relevant contact details <https://my.northtyneside.gov.uk/category/128/find-school>

The information supplied to you is owned by the council unless otherwise stated and may be protected by copyright. You are free to use it for your own purposes, including any non-commercial research or for the purposes of news reporting. Any other re-use of a commercial nature will require the permission of the Council. Further enquiries in this respect should be directed to Head of Law and Governance, North Tyneside Council, Quadrant The Silver Link North, Cobalt Business Park, North Tyneside, NE27 0BY
