

North Tyneside Council

Reference: FOI0042

Request:

I would like to know if you could please tell us what software system your legal teams use for Case Management, Matter Management, Time Recording and Court Bundling (where applicable).

In addition, if any of these systems are under contract and when the contract renewal/end date is.

Response:

The Authority's legal team does not use a case management or matter management system. A free secure time recording system is used. Bundledocs is the supplier for court bundling and this contract runs until 2019.
