

North Tyneside Council

Reference: FOI0129

Request:

I was wondering if I could please request details of payments made to pharmacies for locally commissioned NHS services, for example smoking cessation, emergency hormonal contraception, supervised consumption of medicines, & needle exchange services.

If you could kindly provide this in spreadsheet(s) format, with a breakdown by pharmacy (name and address), month, service, and payment, I would greatly appreciate it (if you also have the ODS code identifier for the pharmacy, then please kindly include this also). If possible, details of the most recent 12 months worth of payments.

Response:

North Tyneside Council directly commission smoking cessation and supervised consumption of methadone and buprenorphine from Community Pharmacies. The information requested is contained in the attached spreadsheet.

Emergency Hormonal Contraception and Needle Exchange Services are sub-contracted by the providers of the sexual health and drug and alcohol services and we do not have the information requested.
