Request:

I would like to receive a list of local authority schools in this borough and their type (e.g. academy/PRU) followed by:

- Pupil numbers in 2015/16 academic year at each school
- Pupil numbers in 2018/19 academic year at each school
- Funding allocated for the 2015/16 academic year per school in £
- Funding allocated for the 2018/19 academic year per school in £

Response:

Pupil numbers in 2015/16 academic year at each school can be accessed via the DfE

<https://www.compare-school-performance.service.gov.uk/download-data?currentstep=datatypes®iontype=la&la=392&downloadYear=2015-2016&datatypes=Census>

Pupil numbers in 2018/19 academic year at each school can be found on the DfE website

<https://www.gov.uk/government/statistics/schools-pupils-and-their-characteristics-january-2018> -select the underlying data

Funding allocated for the 2015/16 academic year per school in £ ANS: The LA funding is allocated on a financial year. The information requested for 2015-16 financial year for all NT schools is available on the DfE benchmarking website. The EFA provides the funding to academies directly.

The link to the DfE benchmarking site is

<https://schools-financial-benchmarking.service.gov.uk/>

Funding allocated for the 2018/19 academic year per school in £ ANS: The LA funding is allocated on a financial year. Much of this funding is based on actual pupils and would be allocated to the school termly once this data is available. At this point in time we are only able to advise of the School block allocation for 2018-19 financial year.
