Request:

I am aware that all Billing Authorities hold records of businesses that have or have not applied for small business rates relief. We would like to obtain a list of businesses who are not receiving small business rates relief. If this information relating to unclaimed small business rates relief is available on the website then please also indicate when the requested information (spreadsheet or website) has been updated.

I therefore request a breakdown of businesses who are not receiving small business rates relief with a Rateable Value between £12,000 and £15,000 since 2017, including the following information:

- The name of each business in respect of which non-domestic rates are payable.
- The Rateable value of the property
- The address of the business in respect of which non-domestic rates apply

Response:

Your request is refused under section 21, information accessible to the applicant by other means, of the Freedom of Information Act. The reason for this is that this information is published on a quarterly basis at the following link:

A comparison between the Complete Property List and All Reliefs spreadsheets will provide you with the information you request.

Any information held which is not yet published is exempt from disclosure in answer to this request under section 22, information intended for future publication.
