

Reference: FOI0285

North Tyneside Council

Request:

Please confirm which of the following Service's Public Health in your Authority currently commissions

- School entry vision screening – **YES**
- School entry hearing screening – **NO**
- NCMP – **YES**
- Other systematic health screening of primary school children (please specify) – **NO**

If the answer to (1) is yes, what is the name of the organisation currently commissioned to provide these services?

North Tyneside Council is both commissioner and provider

If School Entry Vision Screening is Commissioned, Does your Commissioner require the provider delivers its service according to Public Health England's Service Specifications for child vision screening?

YES

When was the service last audited?

It has not been formally audited

According to the latest audit does the provider meet PHE's Service Specifications:

- Fully
- Partially (please specify)
- No information available/not audited

NOT AUDITED

When is the current contracting period due to end? or when are these services going to be tendered next?

There is no contract end date and the service will not go out to tender as North Tyneside Council is both commissioner and provider
