## **Request:**

Do any of the meat products provided by your authority to schools or other institutions come from animals which were not stunned prior to slaughter?

If so, which schools or other institutions provide these non-stunned meat products?

If so, which types of meat are non-stunned?

If so, are all such meat products clearly labelled as 'non-stunned' meat?

## Response:

All meat provided by North Tyneside Council to North Tyneside Schools is pre-stunned, British meat. We do not purchase any meat which has not been pre-stunned.

North Tyneside Council does not provide catering services to St Thomas More or to Kings Priory schools. The request for information from these schools should be made directly to the school.
