

Request:

1. In the 2018 calendar year how many children did you take into care (either interim or full care orders) where the child concerned was recorded as being transgender?

X

2. How many of these children were recorded in your records as undertaking medical or counselling services with a view to having a sex change procedure?

X

3. In how many of these cases was part of the reason for taking the child into care the friction/dispute/arguments between the parents/carers of the child and the child in relation to this desire to have a sex change procedure?

X

Response:

The Code of Practice for Official Statistics requires that reasonable steps should be taken to ensure that all published or disseminated statistics protect confidentiality. To do this totals are rounded and small numbers are suppressed. "x" - numbers less than or equal to 5 are suppressed to protect confidentiality.
