

Reference: FOI0752

Request:

We would like to see how Home Education has grown over the past 5 years by age group in your Council authority and would like to request the following data;

Number of primary age children in elective home education in 2013

In 2013 only the total number of children in elective home education was recorded

Number of secondary age children in elective home education in 2013

In 2013 only the total number of children in elective home education was recorded

Number of primary age children in elective home education in 2018

Academic year 2018-2019 : we currently have 25 primary age children that are home educated

Number of secondary age children in elective home education in 2018

Academic year 2018-2019: we currently have 55 secondary age children home educated.

We believe you are likely to hold this information split by primary and secondary ages. However, if this is not available then we would like the following instead;

Total number of children in elective home education in 2013

Academic year 2012-2013 we had 46 children

Academic Year 2013-2014 we had 37 children

Total number of children in elective home education in 2018

Academic year 2017-2018 we had 57 children

Current Academic year 2018-2019 we have 80 children who are home educated.
