Reference: FOI 0758

Request:

I would be grateful if you would inform me of any previous applications to develop the cutting adjacent to Borough Road Bridge and if so, what were the proposals and outcomes

Response:

Information on previous planning applications is available on line via public access:

The user should use the map search function and enlarge the map to the required scale and select the type of application and time period from the legend and filter to the top right hand side of the screen.

Clicking within each red polygon will show details of the application(s) to which that polygon relates and provides a link to application details. These details include the decision and date it was made and in more recent cases the application form and supporting information submitted.

A screen shot is attached below to assist:
