**The number of electric charging points for electric vehicles installed by the council in 2019**

None, although two Rapid Charging units were installed in one of the Council's managed public car parks - Beaconsfield Car Park, Tynemouth by a third party. These have been externally funded through monies that the North East Combined Authority secured from The Office for Low Emission Vehicles and the European Regional Development Fund (ERDF). These two new units will be managed by the third party as part of the funding obligations.
