

North Tyneside Council

Reference: FOI3458

Request:

For the financial years 2018-19, 2019-20 and 2020-21 to date, please would you tell me:

How much money has the council spent on printing? Costs may include but are not limited to:

- Cost of paper
- Cost of inks / toner
- Cost of printers / photocopiers
- Cost of repair / servicing

Response:

The information provided is from the Council's ledger using subjective code 2051, General Office expenses, where the types of costs requested should be charged.

However, this also includes other types of expenditure. Therefore not recorded in a format that would allow to be extracted within the limit.

We do though have a detail code for print work (80002)

Subjective Code 80002

Years 18/19 - £21,445

Years 19/20 - £105,171

Years 20/21 - £92,832
