**Request:**

**I wish to submit a FOI request in order to obtain the number of CLERICAL members of NTC staff who have been dismissed within the last 10 years due to the misuse of a NTC computer.**

**According to media reports the number is 5. Can you confirm? Hopefully no personal data etc. will prevent you from providing me with details.**

**In addition, can you make available to me the number of NTC EXECUTIVE staff members (particularly library managers) who have also been dismissed due to the above offence i.e. misuse of a NTC computer whilst at work?**

**Response:**

**\*\*This information cannot be provided on the basis this request would exceed the 18 hour time limit.**

**This information is not held centrally or separately. To provide it would require examining 340 records at least 5 mins per record.**

**Therefore, the request is refused under s12 (1) Freedom of Information Act 2000, since the cost of complying would exceed the appropriate limit set out in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004.**

**In assessing the cost of complying, the costs attributable to officer time involved in complying have been taken into account. Such costs are limited to £450.00 under the Regulations, which equates to eighteen hours of officer time.\*\***
