Request:

I am writing to you under the Freedom of Information Act 2000 to request the following information from your Housing department (or similar department that deals with housing and homelessness).

I would be hugely grateful if you could provide me with answers to the following that relate to the Everyone In programme, which aimed to move rough sleepers in accommodation and support them (as part of the COVID-19 response):

1. How much funding did your council receive from MHCLG as part of the initial 'Everyone In' programme (March 2020)?

****£5,980****

2. Between the start of Everyone In (26/03/2020) and the 31st March 2021, what was the total spend on sustaining the support for rough sleepers as part of Everyone In (i.e., keeping people in accommodation, providing services they needed)?

****The council did not split its costs for Homelessness related directly through Covid policies. The total spend on Covid related homelessness was £124,751****

3. Please list all of the additional funding sources that you have used between 26/03/2020 and 31/03/2021 to support this effort? (i.e., if your council spent more on 'Everyone In' than the initial funding provided, where did this come from?).

****Funding for the costs in Q2 was from Housing Benefit and the Council Covid Support Grants****

4. How many people were housed under 'Everyone In' in your council area?

****A total of 87 presentations, however a total of 74 individuals.****

5. How many of these have been re-settled?

****27 have been resettled.****

6. And how many have returned to rough sleeping (at the time of completing this request)?

****0****
