Reference: FOI3801

Request:

Pursuant to the Freedom of Information Act, from the years 1950 – 1976 I wish to request the number of students in secondary education who were transferred from mainstream education to schools for the so-called “educationally subnormal”. I do not require the data to be broken down by calendar year, but I do require the data to be separated by ethnicity, so white as a separate category and minority ethnic to include students who identified as Black, Asian, other, Mixed-race etc
