Request:

Please could you supply the following data for the full years of 2018, 2019 & 2020. I'm looking for:

- The number of requests for grant of approval of premises for civil marriage and civil partnership and which were granted and not granted. As part of this list, could you also specify what type of property it was and which room was specified. E.g. residential property, with the dining room specified.

- As part of the same data could you please also supply the requests for approval that were denied and the space that was requested. E.g denied, requested space was a garden.
