

Reference: FOI4076

**Request:**

Please could you provide me with some information regarding user engagement and your use of open source and open standards for your digital services?

User engagement

- When did you last conduct research into how your website users are accessing digital services?

Not measured

- How has your digital uptake increased over the past 12 months (as measured by the government's guidelines)?

Not measured

Open source and open standards

- What percentage of your source code your council develops - or which is developed on your behalf by external parties - is made open?

At one point some code was made available on GitHub but this is no longer available.

- What percentage of your components are standard government technology components? 0% Is your website designed using open standards for government?

No, we design to the W3C's Web Accessibility Initiative.

The information supplied to you is owned by the council unless otherwise stated and may be protected by copyright. You are free to use it for your own purposes, including any non-commercial research or for the purposes of news reporting. Any other re-use of a commercial nature will require the permission of the Council. Further enquiries in this respect should be directed to Head of Law and Governance, North Tyneside Council, Quadrant The Silver Link North, Cobalt Business Park, North Tyneside, NE27 0BY
