**Request:**

I am writing to make an open government request for all the information to which I am entitled under the Freedom of Information Act 2000.

Please send me:

- Name and Contact details for your Fleet Manager, Head of Waste Operations, and Head of Streetscene Services (or equivalent job titles where relevant)

Ans:

- Steven Whitworth, Operations Manager Operations and Logistics (Fleet)
- Kevin Evans, Operations Manager Waste Collections
- Wendy Brown, Operations Manager Street Cleansing and Enforcement

- How many Refuse Collection Vehicles do you have in operation, of what type and specification (i.e. chassis, body and bin lift) and who operates them ?

Ans

- 18 Refuse Vehicles
  - 15 x 26 tonne - Dennis (chassis & body) with Terberg electric bin lift
  - 2 x 26 tonne – Iveco chassis, Heil body with Terberg standard bin lift
  - 1 x 23 tonne – Iveco chassis, Heil body with Terberg standard bin lift

- How many Trade Waste Collection vehicles do you have in operation, of what type and specification (i.e chassis, body and bin lift)? and who operates them?

Ans

- We do not have a dedicated collection vehicle for commercial waste. This waste is collected whilst the collection teams are collecting from domestic premises.

- Does the council have any Bin Lifters on vehicles mechanically prepared for Bin weighing Systems?

Ans

- Yes.

- Do you operate and charge for Green Waste or Garden collection, if no, do you have any plans to charge in the future?

Ans

- Free collection of garden waste. Currently no plans to introduce a charge for this service.

- Are you currently using vehicle mounted weighing systems on your Fleet, if so, what type and specification are you using?

Ans

- Yes
  - Dennis vehicles – weighing system through the vehicle air suspension
  - Iveco / Heil – PM On board Weighing system

The information supplied to you is owned by the council unless otherwise stated and may be protected by copyright. You are free to use it for your own purposes, including any non-commercial research or for the purposes of news reporting. Any other re-use of a commercial nature will require the permission of the Council. Further enquiries in this respect should be directed to Head of Law and Governance, North Tyneside Council, Quadrant The Silver Link North, Cobalt Business Park, North Tyneside, NE27 0BY

Reference: RFI 1712032

- How does the Council provide/record weights of individual bins per bin collection?

Ans

- No record of individual bins.

- Does the Council use Bin RFID technology?

Ans

- No.

- How does the Council archive and report on bin weight data?

Ans

- No individual bin weight data recorded. However, the weight of each load recorded by collection team and weight ticket provided at disposal site.

- How do you optimise your Urban Management Services ? (e.g. Streetscene Services - Bin level sensors, Street Cleaning, Route Optimisation, Asset Tracking)

Ans

- Route optimisation system used to optimise refuse and recycling collections
- 360 degree LIVE camera system fitted to all Dennis vehicles and is used for monitoring vehicle and team activity.
- Vehicle tracking system used on refuse and recycling collections and street cleansing to continuously monitor the productivity of the services.
