Request:

I am making the following request under the Freedom of Information Act 2000.

At Spring Budget 2017, the Government announced 3 business rates relief schemes, one of which is 'discretionary relief' for which a total of £175m has been allocated in aggregate to billing authorities in England in respect of 2017/18.

Please confirm how much of this 'discretionary relief' your authority has thus far granted to its non-domestic ratepayers in relation to the 2017/18 rate year.

Response:

£239,384.14
